

## Photo/Video/Website Release Form

On occasion, we may post pictures or videos on our website for educational or public relations purposes.

Signing this form does not guarantee that photos/videos of your child will be posted...it simply gives permission to use photos/videos if needed. Names or other personal information about students (full name, age, address, etc.) will NEVER be posted. The main goal of the website is to provide information to our parents and new families.

A signed release is required for any student whose photo/video is used by the Nurtury at MVPC.

Please select the appropriate release by placing a check on the line adjacent to the applicable statement:
